Early learning

Kids learn best when it's fun. That's why our wide range of colourful early learning supplies is better for education.

Art and craft

Kadink paint is safe, non-toxic and washable, perfect for young children. It's available in over 30 colours across Bright, Fluoro, Pastel and Glitter varieties. You can trust Kadink because it's Australian-made with full traceability of raw materials. This commitment is further emphasised by having a full-time chemist on hand, testing every batch and keeping samples on record for two years.

Crayola Washable Paint is a non-toxic formula so it's safe for use by early learners, and the rich, creamy texture means it's easy to paint with.

Educational Colours Splash Paint has been formulated for kinder and junior classes. It's a non-toxic, water-based acrylic paint in 2L and 5L varieties.

High-pigmented watercolour paints are a clean, convenient and cost-effective way to paint in the classroom.

Educational Colours Kindergarten Liquid Fun Dye is ideal for colouring pasta, craft sticks and dough for art and craft activities. There are **so many colours** to choose from, and it is non-toxic and safe for use in classrooms.

Paint, sprays, markers and more to create colourful fabric art.

Protect against drips and splashes with art smocks in different sizes, including long sleeve and sleeveless varieties.

Paint brushes specifically designed to help little hands grasp and improve dexterity skills.

Paint accessories to support early learning, including stamps, sponges, bottle pumps, paint palettes, pegs, trays and more.

Stock up on class packs including pencils, markers, crayons, pastels and chalk from the best brands around the world. You'll also find a huge range of paper to help even the littlest learner's imagination to run wild.

Handy easels for home or classroom use.

Kadink Dough is safe and non-toxic, making it perfect for young children. It is available in Primary, Pastel and Fluoro colour varieties and is great for introducing early STEAM disciplines.

All the dough and modelling accessories you need, including rolling pins, cutters, stamps and more.

Dough and plasticine can be moulded, stretched and shaped any way you like for endless creative possibilities. It's perfect for young children as they develop hand-eye coordination and motor skills through creative play.

Air-Dry Clay in bulk or classroom size packs.

Build creativity
with construction timber,
including popsticks, matchsticks,
dolly pegs, spools and more to
support early STEM and
STEAM disciplines.

Adhesives in
a variety
of sizes.

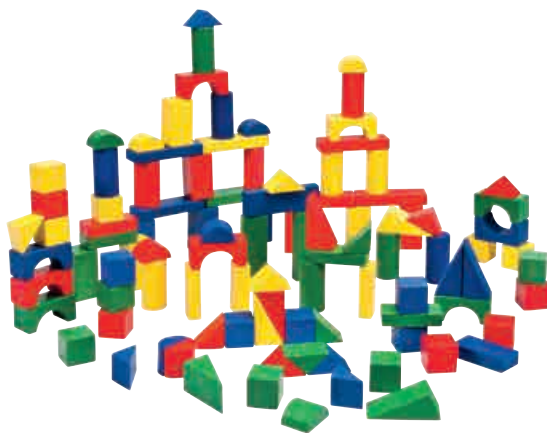

An inspiring range of craft embellishments and components, including pom poms, chenille stems, joggle eyes, glitter, rhinestones, foam shapes, decofoam shapes, beads, safety and specialty scissors, and so much more.

STEM

STEM stands for science, technology, engineering and mathematics. Products within our STEM range teach these subjects in an integrated way and help young children to apply this knowledge to real-life situations. Our range focuses on critical thinking, problem solving and innovation, which prepares children for the real world. STEM skills are increasingly in demand, and a strong foundation in STEM is necessary for future careers.

Beginner Engineering

Introduce basic engineering skills to even the youngest of learners through building blocks and construction sets.

Intermediate Engineering

Help them learn slightly more complex engineering and maths skills through our wide range of products.

STEM Games and Toys

Help little learners develop a life-long love of STEM with fun and interactive games and toys.

Primo Toys Cubetto Playset

This friendly wooden robot will teach your child the basics of computer programming through adventure and hands-on play.

Osmo Genius Kit*

A great entry to the Osmo universe, the Genius Kit includes everything your kids need to experience hands-on learning and digital fun in five different ways.

Cubetto Coding Kits

Make your Cubetto go further with extra coding blocks, world maps, educational storybooks and challenges. For children aged 3-6.

The Power of Play

Whether your children are music lovers, budding coders or aspiring mathematicians, Osmo has the right games to inspire every child.

Science

Wall charts, puzzles, globes and books to encourage little learners to explore the world around them.

Help them make exciting discoveries about biology and the human body with a huge range of fun and engaging tools.

Numeracy

Counters in a variety of shapes and pack configurations to suit all learning environments.

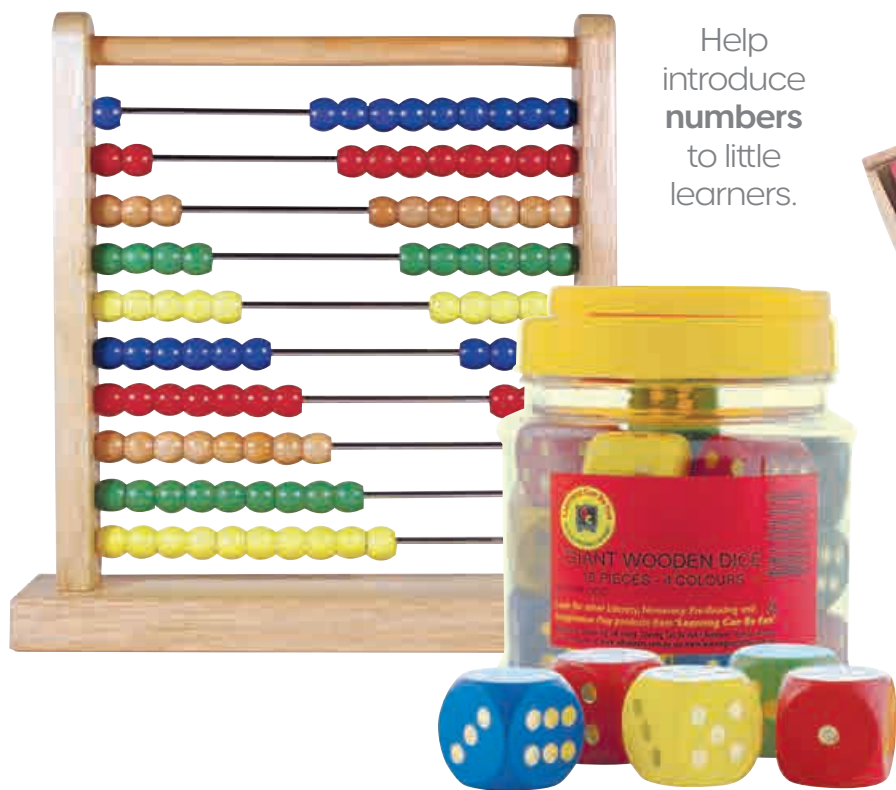

Products to help develop **pattern** recognition skills.

Threading products to help with hand-eye coordination.

Learning all about **time** in an engaging and fun way.

Turn understanding the basics of **money** into a game.

Literacy

Pre-reading tools to help little ones develop their imagination.

Books covering nursery rhyme stories, personal and social development and lots more.

A great range of products to help introduce the alphabet to little learners, including blocks, magnetic letters, puzzles and more.

A huge range of fun and engaging games that will directly support the learning of literacy within the Australian curriculum.

Puzzles, games and music

Musical instruments to stimulate the senses, including recorders, xylophones, bells, shakers, clappers and more.

Wooden educational games and puzzles to stimulate growing minds.

Wall charts

Wall charts with fun, bright and bold graphics. Each chart is laminated and can be used with dry-erase markers.

Everyday education supplies

Learning environments need to be clean, safe and well-stocked for staff and children. We've got everything you need, all in the one place.

Kitchen Supplies

Help keep your early learning centre stocked up with the essentials you need every day.

BPA free.

32L capacity.

8 litre capacity with
boil dry protection.

Kitchen Appliances

Make sure you have all the essential appliances to keep your kitchen running smoothly on a day-to-day basis.

Wound Treatment

Keep your first aid supplies stocked up and ready for any unfortunate incidents.

First Aid Kits

Rest assured Officeworks has all the essential first aid kits to keep your children and team safe in case of an emergency.

Site Safety

Make sure you have everything you need to keep your site safe in any situation or emergency.

Sun Safety and Sanitisation

Make it easy for your team to keep the children sun-smart and hygienic all year round.

Pens, Markers, Highlighters and Sticky Notes

Have fun drawing and colouring, write notes onto dry-erase surfaces, and leave permanent markings on almost any surface with our wide range of pens, markers and highlighters.

Stapling, Punching and Taping

Keep documents neat and tidy and your desk clutter free using our handy staplers, hole punches and tape dispensers. Keep your stapler stocked up with our wide range of staples in different colours, sizes and strengths.

Rubber Bands, Paper Clips and Thumb Tacks

Stay organised and keep your documents neat and tidy with our range of paper clips, thumb tacks and rubber bands.

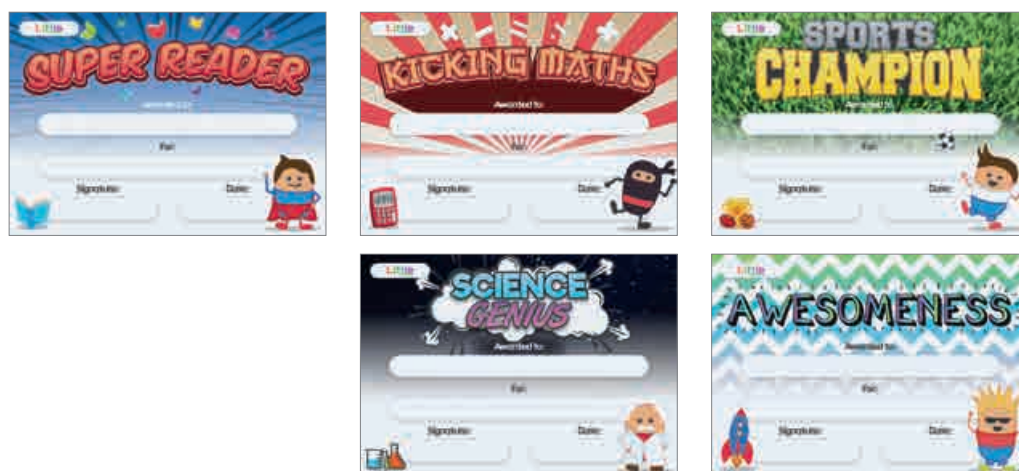

Paper, Laminating and Adhesives

Print, laminate and display important documents and children's masterpieces.

Merit Stickers

Merit stickers say "well done".

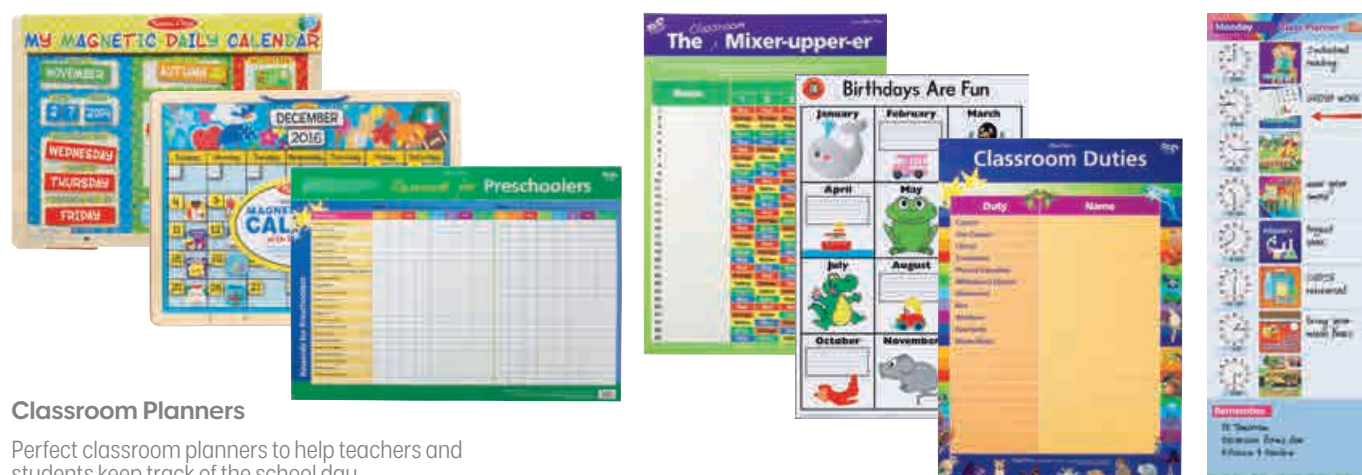

Merit Certificates

Merit certificates they'll be proud of.

Merit Stamps

Kadink merit stamps are a great reward for good work or as book decorations. They're pre-inked and last for up to 20,000 impressions.

Classroom Planners

Perfect classroom planners to help teachers and students keep track of the school day.

Pupil Pockets

Great for the classroom as they allow students to write on and then wipe off their answer so they can be used again and again.

Chalk and Chalkboards

A great range of chalk and chalkboards suitable for both student and educator.

Whiteboard Markers

Perfect for whiteboards big or small. Available in a range of colours and sizes.

Whiteboards

Whether you're putting together the day's schedule or making learning fun, you'll be sure to find just what you need from our wide range of whiteboards.

Tablets and Accessories

We've got the products you need to ensure actual arrival and departure times for each child are electronically reported and compliant with government regulations - making this an easy and seamless process for families and staff members.

Office Essentials

Set up a functional and complete workspace. Choose from our wide range of monitors, printers, keyboards and much more.

Office Furniture

Create productive spaces for planning and teaching with our extensive furniture range.

Early education services

Officeworks has a range of services and tools to help you start, run and grow your business, so you can focus on what you do best.

Fruit and Milk Delivery

Take advantage of fresh fruit and milk delivered weekly from local suppliers to your centre. Select from prepaid packages suitable for between 10 and 100 adults, or talk to your Officeworks Business Specialist about a custom order. This service is great for managing operating costs across a network of ELCs, or just to keep your breakroom stocked for a single centre.

You'll have complete control over the fruit and milk in your order – choose which fruits to include (based on seasonal availability) and your preferred milk varieties, pause your orders over the holidays, and more. Deliveries are fulfilled by The Fruit Box, Australia's leading provider of workplace fruit and milk.

Product Insurance

Protect your new technology from accidental damage (including knocks, drops and liquid spills), accidental loss and theft for 12 months from the date of purchase.

Cover can include iPads and tablets, laptops and other portable equipment with a purchase price over \$250. An easy claims process and low excess ensures you'll be back up and running in no time.

Extra Cover

Keep your educators focused on the children rather than fixing tech if something breaks down or wears out. Extra Cover provides repair or replacement (depending on purchase price) of electrical and mechanical products for up to three years, including printers, tablets, computers, shredders and more. An easy claims process and certainty of cover means you have more time for lesson plans. Cover starts at \$5 for devices under \$50.

Furniture Assembly

Don't risk an injury to your team from assembling furniture. For a small fee our on-site furniture assembly service will ensure that your new furniture is put together by experienced assemblers, saving your team time and maximising their safety. Plus, fixed up-front pricing means you don't have to worry about hidden charges.

All you need to do is add assembly to your furniture purchase and a specialist will contact you to organise an assembly time within 24 hours of your purchase.

Furniture

Our functional and durable range of early learning furniture is perfect for fitting out a new classroom or refreshing an existing space with fun and bright colours.
