Social Distancing – Health & Hygiene

Social Distancing – Health & Hygiene

- Officeworks have designed a number of templated solutions for customers to print to support them during the social distancing requirements
- There are available to order through our Print & Copy centres in store
- They are also available through our Print & Promotions team
- Our stores are utilising the floor decals to assist with our own requirements with social distancing.

Floor Decals

Colours: Available in 8 colours

Sizes: 610x900, 610x1200, 610x1600

Materials: EZ Tac – an excellent short term floor solution

Purpose: Provide guidelines for customers on how far apart they should be standing whilst waiting at counters or checkouts.

Size 610 x 900

In-Store examples of decals

- All Officeworks stores have adopted these floor decals.
- These are significant measures put in place to support social distancing.
- Customers should feel confident in coming into our stores knowing that we support these guidelines.
